

Garbage and Recycling:

The Drop-Off Site at the Town Hall - 3715 Highland Drive is open for Town of Port Washington residents during the following hours:

Thursdays: 4:00 pm – 6:00 pm

Saturdays: 8:00 am – NOON

- **All garbage must be bagged.**
- Many items are recyclable, The Town receives a rebate on all recyclables collected so it is in our best interest to get these items out of the garbage and into the recycling dumpster.
- Please respect the hours as posted. The Attendant needs time to close and open the site, and coming early and late does make his job a little difficult.
- To improve traffic flow, we require all cars to enter from Highland Drive, on the south side of the building. This allows for a drive-thru flow of traffic, to eliminate congestion.
- Please pull to the side if you plan to socialize, so as to accommodate your neighbors in a hurry.
- You may continue to use your current residency card to prove residency, when necessary. You may also provide a drivers license with your current Town of Port Washington address. Our attendant tends to recognize most Town of Port Washington residents, but it is a good idea to have the card with you, if necessary.

Waste Management: <https://www.wm.com/us>

1-888-960-0008

Curbside pick-up service is available through Waste Management. There is a fee for this service, and all communication must take place directly with Waste Management. If you do use the pick-up service, the drop-off service is still available to you if needed.

Recycling:

The dumpster at the Town Hall is Single-Stream Recycling, the following can all be mixed into the dumpster together:

- Magazines
- Office paper
- Brown paper bags
- Newspapers
- Paperboard
- Junk mail
- Phone books
- Paper cardboard, dairy and juice containers
- Aluminum cans
- Tin or Steel Cans
- Glass Bottles and Jars
- Cardboard
- Plastic bottles and containers #1-7

Please do not include:

- Food waste
- Films
- Plastic bags
- Plastic wrap
- Foam cups or containers

If you have any questions or comments please call the Town Hall @ 262-284-5235

RECYCLE OFTEN.
RECYCLE RIGHT.™

RECYCLE OFTEN.

RECYCLE RIGHT. Things you can do to ensure quality material is recycled:

DO NOT INCLUDE: Food waste, plastic bags, polystyrene foam cups & containers, hangers or hazardous waste

- Paper and cardboard must be dry and free of food debris.
- Tissues, paper towels or other paper that has been in contact with food is not acceptable.
- Make sure food contamination and caps are removed from cans and plastics and all containers are empty.
- Separate plastic lids from plastic bottles (often made from different materials).
- Do not place medical waste (needles, catheters or lancets) into the recycling containers.
